## Materials You'll Need

- 14-count Aida fabric (white or light-colored)
- DMC embroidery floss (colors included in the pattern)
- Size 26 cross-stitch needle
- Embroidery scissors

- Embroidery hoop (4-6 inches)

## **Understanding the Pattern**

The Hootie Martian Mini Cross Stitch Pattern is a simple and easy-to-follow design. The pattern consists of a grid, with each square representing a cross stitch.

The colors used in the pattern are denoted by symbols. Refer to the color key included in the pattern to match the symbols to the corresponding DMC floss colors.

## **Getting Started**

1. Prepare your fabric by cutting a piece that is approximately 6x6 inches.
2. Separate the strands of embroidery floss. For this pattern, you will be using two strands of floss for each cross stitch.
3. Start stitching from the center of the fabric. This will help you ensure that the design is centered.

## **How to Cross Stitch**

1. Bring the needle up through the fabric from the back, at the bottom left-hand corner of the square you want to stitch.
2. Insert the needle diagonally up to the top right-hand corner of the square.
3. Bring the needle back down diagonally to the bottom right-hand corner of the square.

4. Finally, insert the needle back up through the fabric to the top left-hand corner of the square.

## Finishing Touches

1. Once you have completed stitching the design, trim any excess fabric around the edges.

2. Wash and iron the fabric to remove any creases or excess dye.

3. Frame your cross stitch or display it in a hoop for a delightful and cosmic accent to your home.

Congratulations on completing your Hootie Martian Mini Cross Stitch Pattern! You have now created a captivating cosmic masterpiece that will add a touch of intergalactic charm to your life.

Whether you are a seasoned cross-stitcher or just starting out, this pattern is perfect for anyone who wants to explore the wonders of embroidery and the boundless beauty of the universe.

Remember, the joy of cross stitching lies in the process and the satisfaction of creating something truly unique and personal. Embrace the creative adventure and let your imagination soar among the stars.
