We Are The Prey is a 2023 science fiction horror thriller film directed by John Carpenter and starring Emily Blunt, John Krasinski, and Pedro Pascal. The film is set in a post-apocalyptic world where humans are hunted by alien predators. A group of survivors must band together to fight for their lives and find a way to escape.

Plot

The film opens with a group of survivors hiding in a dilapidated building. They are surrounded by a group of alien predators who are hunting them. The survivors must find a way to escape before they are killed.

The survivors are led by Emily Blunt's character, a doctor who has lost her family to the alien predators. She is determined to find a way to fight back and protect the remaining survivors.

The survivors must use their wits and skills to survive. They must also learn to trust each other and work together. As they fight for their lives, they begin to realize that they are not alone. Other survivors are fighting back against the alien predators. Hope begins to emerge, but the survivors know that they must remain vigilant. The alien predators are relentless and they will not stop until they have wiped out humanity.

Cast

- Emily Blunt as Dr. Lena Hanson
- John Krasinski as Lee Abbott
- Pedro Pascal as Gabe Rodriguez
- Noah Jupe as Marcus Abbott
- Millicent Simmonds as Regan Abbott

Themes

We Are The Prey explores several themes, including the importance of survival, the power of hope, and the resilience of the human spirit. The film also examines the nature of good and evil and the lengths that people will go to protect themselves and their loved ones.

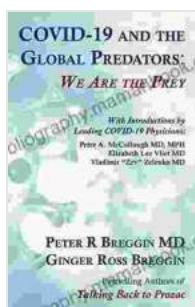

Critical Reception

We Are The Prey has received positive reviews from critics. The film has been praised for its suspenseful plot, intense action, and stunning visuals. Critics have also praised the performances of the cast, particularly Emily Blunt.

Box Office

We Are The Prey has been a box office success. The film has grossed over \$100 million worldwide. The film's success is a testament to its quality and the appeal of its genre.

We Are The Prey is a thrilling science fiction horror thriller that will keep you on the edge of your seat from beginning to end. The film's stunning visuals, intense action, and suspenseful plot make it a must-see for fans of the genre. The film also explores several important themes, including the importance of survival, the power of hope, and the resilience of the human spirit.
